

## SHOTS (FLU, PNEUMOCOCCAL, AND HEPATITIS B)

Hello,

My name is Al Castellanos and I am a licensed insurance agent. Do you know what disease prevention is and why it's important? Well I am here to give you that information. Medicare pays for many preventive services to keep you healthy. These preventive services can find health problems early, when treatment works best, and can keep you from getting certain diseases.

**Shots (flu, pneumococcal, and Hepatitis B)** is one of the preventive services that is covered by Medicare.

### **Who's covered?**

All people with Medicare.

### **How often is it covered?**

Once each flu season.

### **Your cost if you have Original Medicare**

You pay nothing if your doctor or other qualified health care provider accepts assignment for giving the shot.

If you have any questions regarding this exam or any of the other Preventive Service exams covered by Medicare, please contact me at (281) 642-4082 or at [alcastellanos@prinsuco.com](mailto:alcastellanos@prinsuco.com).
